## **Bendcrete Climbing Walls Limited - Notes To The Estimated Statement Of Affairs**

- 1 The inclusion of any claim does not constitute an admittance of the debt. All claims are subject to formal adjudication.
- 2 The above estimates are subject to the expenses of the liquidation and the expenses of realisation.
- 3 The bank held a fixed and floating charge dated 2 June 2011 over the company's assets as well as a mortgage over the company's trading premises. All borrowing was repaid following a sale of the business premises to the director Gordon Bendall in September 2013.
- 4 The company's assets have been valued by Neil Evans of Winter Hill Largo Limited in accordance with the standards of the Royal Institute of Chartered Surveyors. The figures included in the statement of affairs are the values of the assets *ex situ*. The market value *in situ* totals £46,500.
- 5 The valuers considered the value of the Goodwill and Intellectual Property of the company. They concluded that for negotiation purposes a figure of £20,000-30,000 could be attributed to goodwill but noted that in an insolvency scenario realisations were likely to be lower.
- 6 Known bad book debts have been written off and the remainder written down based on age.
- 7 The cash in hand of third parties figure relates to debtors' cheques held by Critchleys in a designated client's account.
- 8 PAYE/NIC is outstanding for the months April 2013 to date.
- 9 VAT is outstanding for the period April 2013 to date.
- 10 The amounts owing preferentially and non-preferentially to the directors and employees relate to arrears of wages, pay in lieu of notice, holiday pay and redundancy.
