Notes to accompany Focus DIY Limited – Statement of Affairs

The Statement of Affairs for Focus DIY Limited has been prepared to account for net book value of assets and liabilities on the same basis as the statutory accounts.

The estimated book values are based upon the management accounts for Period 2 as at 1 May 2011. However, included within book values are estimated lease premiums based on historic appraisals and contingent claims in respect of landlords, preferential claims and redundancy. These amounts would not be included within the management accounts if the Company was to continue as a going concern.

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs.

At the date of appointment it was estimated that lease premiums had a total value of £22.4 million based upon historic appraisals and negotiations with third parties, however it is understood that following the appointment of the administrators this class of asset has been realised in part for a further £27.7 million.

Trade creditors as per the Statement of Affairs are shown net of estimated claims for Retention of Title which has also been adjusted in the stock figure.

Landlord claims have been estimated based upon annual rent, service charges, insurance and provision for dilapidations over the remaining term of the lease.

Pension scheme liability as per the Statement of Affairs is estimated on the basis set out in s75 Pension Act 1995 as at 31 May 2009.

Signature _____

A handwritten signature in black ink, consisting of a large, stylized loop at the top, followed by several horizontal and vertical strokes, ending in a long, sweeping horizontal line.
