## **Notes**

### **Statement of Affairs**

This Statement of Affairs is presented

- subject to verbal explanation at the meeting of creditors
- subject to the costs and expenses of the liquidation, and
- with applicable trade creditors shown inclusive of VAT

### **Book Debts**

The sum of £1,614,342 was awarded to the Company against Siemens at an Adjudication hearing held on 28 January 2014 in respect of contractual sums outstanding plus damages. This award was subsequently set aside.

The director considers that the amount previously awarded in favour of the Company, totalling £1,614,342, remains payable.

### **Investment in Holding Company Holding Company Shares**

The Company set up a Share Incentive Plan (SIP) in 2003 and a Qualifying Employee Share Ownership Trust (QUEST) in 2008. The SIP and QUEST holding in the parent Company shares amounts to £1,942,794, however the director believes there is no realisable value in the shareholding.

### **Investments & Shares**

Eurocom Limited owns 100% of the shareholding in Eurocom Trustees Limited. This Company is dormant and therefore has no realisable value.

### **VAT Refund**

The sum of £3,541 is due in respect of the VAT return for the quarter ended 31 March 2015. Typically, HM Revenue and Customs offset any refund due against any sums payable to them. The director is not aware of any liability outstanding to HM Revenue & Customs and therefore considers the VAT refund realisable in full.

### **Knowles Limited**

As detailed above, Knowles Limited were engaged by the Company to bring a claim against Siemens in respect of contractual sums outstanding and damages. The award of £1,614,342 in favour of the Company was later overturned.

Knowles Limited have submitted a claim for the sum of £831,896.65 in respect of their outstanding fees. It should be noted that the director considers the claim as extremely excessive and furthermore considers the Company has a valid claim against Knowles Limited.

The claim of £831,896 65 is both disputed and unliquidated and accordingly is marked as objected to

**Lawrence Kenney**

The director's claim of £36,003 is made up as follows

- Outstanding salary for the period April 2014 to April 2015 - £21,769
- Outstanding payments due in respect of rent for IT Recovery - £11,200
- Outstanding travel expenses - £3,033

**Trans-Eurocom Limited**

Trans-Eurocom Limited hold 100% of the Company's shareholding and is a company with common directors and shareholders

The total amount of £931,403 outstanding to Trans-Eurocom Limited is made up as follows

- Amounts due in respect of loans provided - £693,743
- Outstanding contribution due in respect of Share Incentive Plan (SIP) and Qualifying Employee Share Ownership Trust (QUEST) - £237,660
