## NOTES TO THE ESTIMATED STATEMENT OF AFFAIRS

All book values have been taken from the Company's latest financial information provided by the director, the Company's professional advisors or from valuations obtained from independent valuation agents. It should be noted that no provision has been made for the costs of preparation of the same, the costs of convening the meetings of members and creditors, agents' costs or the costs and expenses of the Liquidation

**1. Assets Specifically Pledged****National Westminster Bank Plc.**

National Westminster Bank Plc hold a debenture, comprising of a fixed and floating charge, created on 30 November 2009 and delivered on 04 December 2009

**2. Assets Not Specifically Pledged****Cash at Bank**

The book value and estimated to realise value of the cash at bank has been provided by the director from the Company's books & records. It is estimated that the balance at bank will be realisable in full, subject to accrued charges and interest

**Debtors / Retentions**

The book value and estimated to realise value of the debtors / retentions has been provided by the directors from the Company's books and records. Without prejudice to the value of the realisable debtors / retentions, the estimated to realise value has been reduced by a specific provision of £322,661 resulting from contractual issues on the Imtech contract, along with a general provision of 60% on the balance of the remaining ledger of £3,549 for the purposes of the statement of affairs

**Stocks**

The stocks have been subject to a valuation by independent valuation agents Charles Taylor. The book value and estimated to realise value of the stocks has been extracted from the valuation report for the purpose in the Statement of Affairs

**3. Employee Claims / ERA'2006 Claims (est.)**

Where applicable, employees will be entitled to make claims (subject to certain limits) under the Employment Rights Act 2006 (ERA'2006) from the government department known as the Redundancy Payments Service ("RPS"). The Employee claims may include arrears of pay, holiday pay, compensation in lieu of notice and redundancy. Where applicable, the RPS will make payments directly to the employees and then the RPS will then lodge a claim against the Company in respect of the payments it has made. Employee Claims / ERA'2006 have been estimated for the purposes of the statement of affairs and are not considered as agreed amounts

**4. Prescribed Part**

The Insolvency Act 1986 provides that, where a company has created a floating charge after 15 September 2003, a prescribed part of the company's net property must be made available to the unsecured creditors and not be distributed to the floating charge holder except in so far as it exceeds the amount required for the satisfaction of unsecured claims. The net property represents the assets available after the costs and expenses of the insolvency procedure and the discharge of preferential creditors' claims in full. No provision has been included within the estimated statement of affairs regarding the costs and expenses of the insolvency procedure

The method of calculating the prescribed part is given below

Where the net property does not exceed £10,000 (the prescribed minimum) it may be considered that the cost of making a distribution is disproportionate to the benefits and no prescribed part is required to be set aside

---

Signed

Mr Graham Lawton

04 June 2015

NOTES TO THE ESTIMATED STATEMENT OF AFFAIRS (cont )

Where the net property exceeds £10,000 the prescribed part is calculated at a value of 50% of the first £10,000 plus a further 20% of the net property which exceeds £10,000, up to a maximum prescribed part of £600,000

Based upon the information currently available, it is estimated that there will not be a prescribed part fund available in this case

The net property in this case is expected to be less than the prescribed minimum and we consider that the cost of making a distribution of the prescribed part in this case to be disproportionate to the benefits. Accordingly, we do not intend to set aside a prescribed part in this instance

**5. HM Revenue & Customs – PAYE / NI, VAT, CIS & Corporation Tax**

The liability to HMRC in respect of unpaid PAYE / NIC, VAT, CIS and Corporation Tax has been extracted from the Company's books and records as provided by the director. A detailed list of these amounts has been provided at Appendix III. The amounts shown should not be regarded as agreed

**6. Directors' Loans / Connected Creditors**

Details of the directors' loan accounts / connected creditors have been extracted from the Company's books and records as provided by the directors and / or the Company's advisors. A detailed list of these amounts has been provided at Appendix III. The amounts shown should not be regarded as agreed

**7. Trade and Expense Creditors**

Details of the Company's trade and expense creditors have been extracted from the Company's books and records as provided by the directors and / or the Company's advisors. A detailed list of these amounts has been provided at Appendix III. The amounts shown should not be regarded as agreed

**8. Contract Counter Claim**

A counter claim in relation to contractual issues, which remains disputed, has arisen with regard to the Imtech contract, which represents the majority of the Company's debtor ledger. The counter claim has yet to be clarified and remains disputed. Without prejudice to the matter, an estimate of the net position of the counter claim is scheduled in the list of creditors at an amount of £122,054 and is not considered as an agreed amount
