## **Notes to the statement of affairs**

- 1 The statement of affairs ignores the costs of insolvency
- 2 Section 176A of the Insolvency Act 1986 (the prescribed part) does apply in this case as there is a floating charge created after 15 September 2003. The only asset of the company is a property subject to a legal charge in favour of The Royal Bank of Scotland created on 3 August 2005. The property has not been professionally valued. The director's estimate is £250,000. The amount outstanding the Royal Bank of Scotland is £254,000 approximately according to the last statement received from the Royal Bank of Scotland by the company.  
The director has contributed to the costs of the liquidation. There is no other property consequently it is believed that as the net property is less than the prescribed minimum (£10,000) then the prescribed part will be disapplied.
- 3 There are no other assets owned by the company. A duly appointed liquidator will be look into whether there are any assets
- 4 The debts due to H M Revenue & Customs are best estimates only
- 5 The inclusion of creditor balances on the statement of affairs is as per the company's records. Claims of creditors will be subject to admission by the duly appointed liquidator in the usual way
