Notes to the Statement of Affairs

- 1 The only assets of the company are cash at bank and cash in hands of accountants as shown on the face of the Statement of Affairs. The company has access to a bank account not in its name but the funds therein remain the property of the company. It is understood from the director that there is a credit balance of circa £695, together with £4,887 in the main account, totalling £5,582. The director confirms that there are no other company assets.
- 2 Claims of creditors are subject to agreement in due course. The amounts stated will not prejudice your claim which will be agreed, if appropriate, by the Liquidator in due course.
- 3 No provision has been made in respect of claims by employees under the terms of the Employment Rights Act 1996.
- 4 Section 176A of the Insolvency Act 1986 (as amended) requires the Liquidator to set aside a percentage of a company's assets for the benefit of the unsecured creditors in cases where the company gave a "qualifying floating charge" over its assets to a lender on or after 15 September 2003. This is known as the "prescribed part of the net property". A company's net property is that left after paying the preferential creditors, but before paying the lender who holds a floating charge. A Liquidator has to set aside:
 - 50% of the first £10,000 of the net property, and
 - 20% of the remaining net property up to a maximum of £600,000There is no qualifying floating charge in this case so the prescribed part provisions do not apply.

- 5 Subject to the costs and expenses of the winding up.
- 6 Subject to the verbal explanations to be given at the meeting of creditors 9 January 2015.
