**Joint Administrators' Notes to Director's Statement of Affairs**

- 1 The director did not include a list of creditors with his submitted Statement of Affairs
- 2 A list of creditors has therefore been included with the filing of the Director's Statement of Affairs, which has been prepared from information previously provided by the director and from information obtained since my appointment as Joint Administrator. The Joint Administrators have not independently verified the accuracy of the attached list of creditors or the list provided by the director at this stage
- 3 There is a discrepancy in the figures between the headline figures for unsecured creditors originally provided by the director and the list prepared by the Joint Administrators. These can broadly be summarised as follows -

Type of Creditor	Per Director's Statement of Affairs	Per Joint Administrator	Difference
			£
Trade Creditors	421,313 00	323,205 58	98,107 42

- 4 To date, the Joint Administrators have received an additional claim which was not listed in the original list of creditors provided by the director. This is a claim from Prospect Direct Limited for £10,275 70
