Statement Of Affairs Notes

Note 1

The assets of the company were sold to 5 Star Security Services Limited on 30 November 2013 for the sum of £2,800 plus VAT. The assets consisted of a Fiat Punto Registration WL57 EUE and a Vauxhall Astra Registration LN04 AEL together with the goodwill of the company. Albeit no formal valuation was obtained the director believes the price paid to be true value. The appointed liquidator will need to review this transaction in due course.

Note 2

The company is currently in a Company Voluntary Arrangement. Messrs Robert Dymond and Fiona Grant of Wilson Field Limited were appointed Supervisors on 24th August 2012. Due to a change in circumstances, the Company was unable to comply with the terms of the proposal.

The terms of the arrangement, as modified provides that the passing of a winding up resolution will terminate the proposal. Upon termination, the arrangement trusts expressed or implied shall cease save that assets already realised shall (after the provision for supervisors' fees and disbursements be distributed to arrangement creditors). The Supervisors are holding a balance of £3,674.39 and I understand that these funds will be used to defray their outstanding costs. In the circumstances, it is not anticipated that there will be a dividend to CVA creditors.

CVA creditors include all claims which were submitted to the Supervisors in the arrangement and agreed for dividend purposes. A number of the creditors included in the statement of affairs were subsequently agreed as having a nil claim. However, there are some creditors which may still seek to prove and this figure may therefore change. All other figures relate to liabilities incurred post arrangement.

Note 3

The Director, Jason O'Sullivan has advanced the sum of £4,500 in order to meet the costs of Liquidation and it is therefore included in his balance as creditor. It should be noted that the director had a further claim in the sum of £30,545.26 which has not been included in this figure. By way of a modification to the company's proposal, H M Revenue and Customs requested, that this liability will not survive the Company Voluntary Arrangement.
