NOTES TO THE ESTIMATED STATEMENT OF AFFAIRS

All book values have been taken from the Company's latest financial information or from valuations obtained from independent valuation agents. It should be noted that no provision has been made for the costs of preparation of the same, the costs of convening the meetings of members and creditors, agents' costs or the costs and expenses of the Liquidation

1. Assets Specifically Pledged

There are no assets which are specifically pledged

2. Assets Not Specifically Pledged

Chattel Assets

The chattel assets of the Company were purchased by the director James Wright on 15th July 2014 for £50,000

Cash at bank

The book value and estimated to realise value of the balance at bank has been provided by the director from the Company's books & records. It is estimated that the balance at bank will be realisable in full, subject to accrued charges and interest

Debtors

The book value of debtors has been provided by the director from the Company Books and Records. The estimated to realise value has been reduced by a specific provision of 30% due to bad & doubtful debts for the purposes of the statement of affairs

3. Employee Claims / ERA'2006 Claims (est.)

Where applicable, employees will be entitled to make claims (subject to certain limits) under the Employment Rights Act 2006 (ERA'2006) from the government department known as the Redundancy Payments Service ("RPS"). The Employee claims may include arrears of pay, holiday pay, compensation in lieu of notice and redundancy. Where applicable, the RPS will make payments directly to the employees and then the RPS will then lodge a claim against the Company in respect of the payments it has made. Employee Claims / ERA'2006 have been estimated for the purposes of the statement of affairs and are not considered as agreed amounts

4. Prescribed Part

As the Company has no unsatisfied post-Enterprise Act charges, there will be no requirement to set aside a prescribed part in this case

The method of calculating the prescribed part is given below

Where the net property does not exceed £10,000 (the prescribed minimum) it may be considered that the cost of making a distribution is disproportionate to the benefits and no prescribed part is required to be set aside

Where the net property exceeds £10,000 the prescribed part is calculated at a value of 50% of the first £10,000 plus a further 20% of the net property which exceeds £10,000, up to a maximum prescribed part of £600,000
