AS HAN LIMITED ("THE COMPANY")

NOTES TO STATEMENT OF AFFAIRS

Estimated to realise values have been extracted from an independent professional valuation report provided by Rabbow & Co LLP ("Rabbow")

1. *Property Improvements*

This amount relates to the Freehold property at 37 Richmond Road, Kingston Upon Thames, Surrey, KT2 5BW under the name "Dolsot", which has been valued at £450,000 by Rabbow

2. *Goodwill*

This amount is based on the turnover of the Company, together with the good reputation historically enjoyed by the Kingly Street premises

3. *Machinery, Fixtures & Fittings*

This amount relates to the various furnishings, kitchen and bar equipment owned by the Company and held at the Kingly Road premises. These assets have an estimated realisable value of £7,130 on a willing purchaser basis

4. *Stock*

This relates to dry and wet stock located at the Kingly Street premises. Given the perishable nature of the stock, on a willing purchaser basis the estimated to realise value is expected to be minimal

5. *Employees' preferential claims*

Under the provisions of Schedule 6 of the Insolvency Act 1986 ("the Act"), any amounts outstanding to employees in respect to unpaid wages (to a maximum of £800) and outstanding annual leave entitlements are afforded priority over the claims of the unsecured creditors and the claims of any secured creditors with regards to proceeds from realisations of any assets subject to a floating charge

The information required to accurately calculate the employees' preferential claims was not available. Therefore, the figure shown represents the estimated preferential claim for 12 employees, using an estimated figure of £800 per employee

NOTES TO STATEMENT OF AFFAIRS

6. *Prescribed Part*

Section 176A (2) of the Act provides that, where the company has created a floating charge after 15 September 2003, the administrator must make a prescribed part of the company's net property available for the unsecured creditors and not distribute it to the floating charge holder except in so far as it exceeds the amount required for the satisfaction of unsecured claims. Net property means the amount which would, were it not for this provision, be available to floating charge holders out of floating charge assets (i.e. after accounting for preferential debts and the costs of realisation).

As the secured creditor is to be repaid in full under their fixed charge, the prescribed part will not apply in this instance.

7. *Trade & expense creditors*

The claims of trade and expense creditors are based upon the latest information available within the Company's books and records. Any variances between the Company's records and the amounts due as per the creditor's own records are subject to agreement. The amounts disclosed should not be taken as exact or binding upon creditors.

8. *Employees' unsecured claims*

Any amounts outstanding in respect to payment in lieu of notice and redundancy as well as the balance of arrears of wages, not paid as a preferential claim, will rank as an unsecured claim in the administration.

The information required to accurately calculate employees' unsecured claims was not available. Therefore, the figure shown represents the estimated unsecured claim for the 12 employees, using an estimated figure of £1,000 per employee.
