## **Comments on the Directors' Statement of Affairs**

The Statement of Affairs does not reflect the costs of insolvency and realisation

### **Assets**

#### **Cash Balances**

The company's assets were sold on 2<sup>nd</sup> September 2013 to SRMUST Limited, a company connected by associated Directors. The sale price of the assets was £4,167 plus VAT, which included all tangible and intangible assets. On receipt, the funds were paid into the company bank account.

The cash balance represents the balance of the funds in the account as at today.

### **Creditors**

The unsecured claims total £26,100. I would point out that the amounts shown have been provided by the director and the company accountant, and therefore may not necessarily agree with your own records. However, the amounts stated will not prejudice your claim as it will be agreed by the Liquidator in due course. Creditors may also be entitled to claim VAT Bad Debt Relief on their claims.

£3,000 of the unsecured claims relates to funds that the director personally injected into the Company.

### **Shares**

The issued and fully paid up share capital is £100 resulting in an overall total deficiency of £23,200.
