Notes to the statement of affairs

- 1 The statement of affairs ignores the costs of insolvency
- 2 Section 176A of the Insolvency Act 1986 (the prescribed part) does apply in this case as there is a floating charge created after 15 September 2003. However there is unlikely to be a distribution to any class of creditor and net property is less than £10,000
- 3 The chattel assets of the company were valued by Gilbert Baitson and sold to the director prior to liquidation. An offer of £4,080 has been accepted from the directors
- 4 The debts due to H M Revenue & Customs are best estimates only
- 5 The inclusion of creditor balances on the statement of affairs is as per the company's records. Claims of creditors will be subject to admission by the duly appointed liquidator in the usual way
