Notes to the Statement of Affairs

- 1 The statement of affairs ignores the costs of insolvency

- 2 Section 176A of the Insolvency Act 1986 (the prescribed part) does apply in this case as there is a floating charge created after 15 September 2003. The company is the lessee of the trading premises at Hessle. No valuation of the leasehold has been made. The book value for goodwill is taken from the financial statements for the year ended 31 July 2013. There is no realisable value in the goodwill in the business or the lease attributed as the company has ceased trading and vacated the premises. The company's obligations under the lease and in respect of the monies due to the company's bankers have been guaranteed by the directors.

- 3 The chattel assets were purchased by the directors for £4,010 prior to liquidation by the directors. The assets were valued by Michael Baitson of Gilbert Baitson auctioneers and valuers.

- 4 The debts due to H M Revenue & Customs are best estimates only.

- 5 The inclusion of creditor balances on the statement of affairs is as per the company records. Claims of creditors will be subject to admission by the liquidator in due course.
