## 1 INTRODUCTION

Rachel Ballinger was appointed as Liquidator of the Company at meetings of members and creditors held on 22 January 2015. Rachel Ballinger was licensed to act as an Insolvency Practitioner in the UK by the Insolvency Practitioners Association and is bound by the Insolvency Code of Ethics.

Rachel Ballinger left the firm and on 24 October 2017 a court order was granted pursuant to which I replaced Ms Ballinger as Liquidator. I am authorised to act as an Insolvency Practitioner in the UK by the Institute of Chartered Accountants in England & Wales and am bound by the Insolvency Code of Ethics. A copy of the court order appointing me as the Liquidator is attached, at Appendix C, to this report.

This is the Liquidator's annual progress report as required by Section 104A of the Insolvency Act 1986 and Rule 18 of the Insolvency Rules 2016. It shows how the liquidation has been conducted and the Company's property disposed of, the outcome for creditors and other information that the Liquidator is required to disclose.

This report covers the 12 month period since the date of my last report and should be read in conjunction with previous reports issued in this matter.

## 2 RECEIPTS AND PAYMENTS ACCOUNT

### Receipts and Payments Account

Attached at Appendix A is a summary of the Liquidator's receipts and payments for the period of 22 January 2017 to 22 January 2018 and for the cumulative period of the liquidation.

### Asset realisations

There have been no asset realisations during the period of this report.

### Unrealised Assets

The Director's Statement of Affairs detailed the following assets of the Company which have not yet been realised:

#### **Plant and Machinery**

As set out in the previous progress report, the director's estimated Statement of Affairs indicated that the Company owned plant and machinery with a book value of £2,633 and an estimated realisable value of £1,000.

Details were sought from the Company's director regarding the whereabouts of the Company's plant and machinery but no details were ever provided. The previous liquidator determined that taking into account the likely costs of taking possession and arranging for the sale of the assets, it would not be commercially viable to take further action to attempt to realise the same.

#### **Book Debts**

The director's estimated Statement of Affairs indicated that the Company had book debts with a value of £65,000 and an uncertain realisable value. The director had been unable to supply any information regarding the debts that were due to the Company and has advised that all records relating to the debts were destroyed in a flood.

It is therefore unlikely that there will be any further realisations in this respect. I will however consider the recoverability of the debts prior to writing them off.

### **Payments**

The payments reflected on the receipts and payments account at Appendix A show the payments made during made in the period covered by this report and the cumulative period of the liquidation.

No payments have been made during the period of this report.  
I have incurred the following expenses which have not yet been drawn:

<b>Expense</b>	<b>Provider</b>	<b>Amount (£)</b>
Statutory Bond	Marsh Limited	10.00
<b>Total</b>		<b>10.00</b>

## **3 OUTCOME FOR CREDITORS**

### **Secured Creditors**

There are no secured creditors in this matter.

### **Preferential Creditors**

There are no preferential creditors in this matter.

### **Prescribed Part**

Where there is a floating charge created after 25 September 2003, a percentage of the assets realised subject to the charge is ring fenced for unsecured creditors. This is called the prescribed part of the company's net property available for the satisfaction of unsecured debts.

As there are no unsatisfied post-Enterprise Act charges, there will be no requirement to set aside a prescribed part in this matter.

### **Unsecured Creditors**

In accordance with the Statement of Affairs, unsecured creditors totalled £315,289. Claims have been received from unsecured creditors to date totalling £197,575.

The funds realised in the Liquidation to date have been utilised for defraying the expenses of the Liquidation and as a result there will be no distribution to unsecured creditors, nor will any monies be paid to unsecured creditors by virtue of the application of Section 176(A) of the Insolvency Act 1986 (prescribed part).

## **4 INVESTIGATIONS**

As set out in the previous report, investigations were ongoing into the disposal of several vehicles held by the Company prior to liquidation. I am continuing to seek information from companies that supplied vehicles to the Company pursuant to hire purchase agreements to determine whether any further action is required.

I confirm that we have complied with my statutory duties, including investigating and reporting to the Department of Business Innovation & Skills in respect of the conduct of the Company's director. Our report and disclosures are confidential and are not available to creditors.

## 5 LIQUIDATOR'S REMUNERATION AND DISBURSEMENTS AND CREDITORS' RIGHTS

### Statement of Affairs fee

A resolution was passed at the Meeting of Creditors, in relation to my pre-appointment costs, as follows:-

"That Greenfield Recovery Limited's fees in connection with preparing the Statement of Affairs, convening the meetings of members and creditors and for assisting the directors of the Company in the period leading up to the liquidation be approved in the sum of £5,000 plus VAT and disbursements and may be paid as an expense of the liquidation."

This fee has been recovered in full as outlined on the attached schedule.

It is considered that this fee is fair and reasonable as, in my experience, the average time costs spent carrying out the work required prior to the liquidation of the Company totals £5,000.

### Remuneration

The statutory provisions relating to remuneration are contained in Rules 18.16 and 18.20 of The Insolvency Rules 2016. A Creditors' Guide to Liquidator's fees is available at <https://www.greenfieldrecovery.co.uk/media/591328/liquidations-creditor-fee-guide-april-2017.pdf> or upon request to our office. Should a hardcopy of any document be required, this will be provided free of charge.

At a meeting of creditors held on 22 January 2015 it was resolved that the liquidator's remuneration be payable by reference to time properly given by me and my staff in attending to matters arising in the liquidation.

I have incurred time charges during the period covered by this report of £3,638.25 representing a total of 13.09 hours having been spent on the administration of this case. Therefore the average hourly rate equates to £278.05. No liquidator's fees have been drawn in the period covered by this report.

For the entire period of the liquidation, I have incurred time of £37,165.75 representing a total of 108.64 hours having been spent on the administration of this case. Therefore the average hourly rate equates to £342.12. Liquidator's fees of £2,352.70 have been drawn since the commencement of the liquidation.

The work has been categorised into the following task headings and sub-categories.

#### **Administration and Planning**

This category of work includes case planning and set-up, appointment notification, statutory reporting, compliance, cashiering, accounting and administrative functions.

The work undertaken in this category is required as part of my statutory and regulatory requirements and is unlikely to directly produce a financial benefit to creditors.

#### **Investigations**

The work recorded in this category will relate to my initial assessment of the Company's affairs as required by Statement of Insolvency Practice 2. This includes an analysis of the Company's bank statement, consideration of the Company's financial statements and a review of the Company's books and records, where available. In addition, the work undertaken includes reporting on the Director's conduct as required by the Company Directors Disqualification Act 1986 (as amended).

The investigation work undertaken is required as part of my statutory duties outlined above. Further investigations may be undertaken with a view to increasing funds available to creditors. As such, investigative work may have a financial benefit to creditors.

### **Realisation of Assets**

This category of work includes any action undertaken in order to protect or realise any assets of the Company. Work may be undertaken in order to put insurance in place or assess whether there are assets which may result in a realisation and time costs may be incurred in this category even if there have been no asset realisations.

*In this case, the Statement of Affairs indicated that the assets of the Company were plant and machinery, book debts and cash at bank.*

### **Creditors**

This category includes entering of creditors information on IPS, communications with creditors, preparing reports to creditors, creditors' meetings, processing proofs of debt and progressing employee related claims.

The work required in this category is required as part of my statutory and regulatory duties and is necessary but it is unlikely to provide any direct financial benefit to creditors.

In order that creditors may properly review the time spent on the administration of this case, I enclose herewith a schedule confirming the same, being compliant with Statement of Insolvency Practice 9, and would refer you to Appendix B.

In common with other professional firms, our firm's charge-out rates increase from time to time over the period of the administration of a case. Specific details of the current charge-out rates applicable to those staff who worked on this case are also available at [www.greenfieldrecovery.co.uk](http://www.greenfieldrecovery.co.uk) on the 'Costs and Fees' page or upon request to our office. Please note hard copies of these documents will be provided free of charge.

### **Category 2 disbursements**

These are costs that are directly referable to the appointment, but not a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

No category 2 disbursements have been recharged in relation to this matter or recorded during the period of this report.

### **Creditors' Rights**

Any secured creditor, unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) or any unsecured creditor with the permission of the Court, may within 21 days of the receipt of this report make a request in writing to the Liquidator for further information about the remuneration or expenses incurred in the period since my appointment.

In addition to the above, any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) or any unsecured creditor with the permission of the Court, may within 8 weeks of receipt of this report make an application to Court on the grounds that the basis fixed for the Liquidator's remuneration is inappropriate, or the remuneration charged or the expenses incurred by the Liquidator since the date of my appointment are excessive.

## **6 OUTSTANDING MATTERS AND END OF LIQUIDATION**

As set out above in more detail above, I am not yet in a position to conclude the liquidation as my investigations into the disposal of the Company's vehicles is ongoing.

Once all matters have been finalised I will take steps to complete the liquidation.

If you wish to discuss the issues raised in this report or require any additional information, please contact Alex Dunton of this office.

Yours faithfully  
for and on behalf of  
Miltech (M&E) Limited
