**Cucina Toscana Ltd t/a Michelangelo**

**Notes to the Director(s) Statement of Affairs**

**Dated: 27 February 2015**

**Book Debts**

The Company's books and records indicate gross book debts of £5,100. After provisions for bad and doubtful debts, and counterclaims following the cessation of trade, it is estimated that the book debts will realise £5,100.

**Employees**

Employees of the Company have claims for arrears of pay, holiday pay, pay in lieu of notice and redundancy pay, as appropriate, following the termination of their contact.

Both arrears of pay and holiday pay rank as preferential claims subject to statutory limits. Amounts in excess of the statutory limits together with pay in lieu of notice and redundancy pay rank as unsecured claims.

Employee claims have been estimated based upon information available at present. Certain of the employee claims will be discharged through the National Insurance Fund, and the fund will have subrogated claims for any amounts paid to the employees.

**Prescribed Part**

The Prescribed Part (Section 176(A) of the Act) is a proportion of floating charge asset realisations, net of costs, which are set aside for the benefit of unsecured creditors. The Prescribed Part applies to floating charges created on or after 15 September 2003 only.

The Prescribed Part is calculated using a formula laid down in the Act as follows:

- 50% of the net property up to £10,000,
- 20% of the net property in excess of £10,000,
- Subject to a maximum amount of £600,000

In this instance there is no floating charge and so the prescribed part does not apply.

**Trade & Expense Creditors**

The amounts due to trade and expense creditors are taken from the books and records of the Company, and are stated inclusive of VAT. Inclusion does not constitute an admission that there is now or has been in the past any legal liability upon the Company of the whole or part of the amount shown.

**General**

The Statement of Affairs does not include any provision for the costs of administering the Liquidation.
